The kids will be playing a 3-4 minute half-court basketball game during the half time portion of the varsity games. Please have your child wear the Park & Recreation t-shirt the night of the game. Tennis shoes are also suggested. Be at the High School gym by 7:20 and sit on the far side of the gym (stage side) typically where the student section sits on the Dodgeville side. At half time we will assist the kids on to the court and begin play. Parent assistance is welcome and may be needed.

This is an opportunity that is supposed to be fun for the kids. Please contact me with any questions.
